The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**SEVEN-YEAR LEASE
SHERIFF'S DEPARTMENT
1 CUPANIA CIRCLE, MONTEREY PARK
(FIRST DISTRICT)
(3 VOTES)**

SUBJECT

A new seven-year lease for 42,547 rentable square feet of office space and 124 parking spaces to be occupied by the Sheriff's Department.

IT IS RECOMMENDED THAT THE BOARD:

1. Consider the Negative Declaration together with the fact that no comments were received during the public review process, find that the project will not have a significant effect on the environment, find that the Negative Declaration reflects the independent judgment of the County of Los Angeles to approve the Negative Declaration, and adopt the Negative Declaration.
2. Approve and instruct the Chairman to sign the seven-year lease with Mont-Park, L.P. (Landlord) for the occupancy of 42,547 rentable square feet of office space and 124 parking spaces located at 1 Cupania Circle, Monterey Park for the Sheriff's Department, for a maximum annual total lease cost of \$893,487.00. The lease costs are 100 percent net County cost.
3. Authorize the Internal Services Department or Sheriff's Department, at the direction of the Chief Executive Office, to acquire telephone, data, and low voltage systems at a cost not to exceed \$1,200,000.
4. Authorize the Chief Executive Officer and the Director of Internal Services and the Sheriff to

implement the project. The lease will be effective upon Board approval, but the term and rent will commence upon substantial completion of improvements by the Landlord and acceptance by the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Sheriff's Department Homicide Bureau has been housed at 5747 Rickenbacker Road, Commerce since February 1994. This 17,460 square foot Commerce office has become inefficient and overcrowded with document and evidence storage separated between two locations. Evidence storage and Case File storage are divided between the Sybil Brand Institute in Monterey Park and the Central Property and Evidence Unit in Whittier, respectively. The Sheriff's Department will backfill the space at these two locations with other programs.

The Homicide Bureau will not be relocated to the renovated Hall of Justice since the program must conduct operations separate from other Sheriff functions. The proposed facility has been identified to serve as the new office for the Homicide Bureau's entire office and storage requirement, thereby consolidating three locations into a 42,547 square foot single-tenant facility. The facility is to be occupied by 176 full-time employees from the Homicide Bureau and the Sheriff's Parole Compliance program.

The Homicide Bureau is tasked with using comprehensive investigative services to prevent and solve homicide related crimes throughout Los Angeles County. The Parole Compliance program is an extension of the AB 109 program involving collaboration between the Sheriff's Department and the Probation Department in monitoring parolees.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan Goal of Operational Effectiveness (Goal 1) directs that we maximize the effectiveness of process, structure, and operations to support timely delivery of customer-oriented and efficient public services. The proposed lease supports this goal by delivering a facility that supports efficient public services. The proposed lease is in conformance with the Asset Management Principles as outlined in Attachment A.

FISCAL IMPACT/FINANCING

The proposed lease will allow the Sheriff's Department to occupy 42,547 square feet of office space and 124 parking spaces at a maximum first year cost of \$893,487.00, or \$21.00 per square foot. A portion of the building operating expenses will be included in the rent, such as maintenance, insurance, and property taxes. Utilities and janitorial expenses will be the Sheriff's responsibility separate from the lease.

The rent is subject to annual adjustment in accordance with changes to the Consumer Price Index, and the minimum annual adjustment will be 2 percent with a maximum annual adjustment of 4 percent. Attachment B is the fiscal impact/financing overview of the proposed lease.

Sufficient funding for the proposed lease is included in the Fiscal Year (FY) 2013 14 Rent Expense budget and will be charged back to the Sheriff's Department. The Sheriff's Department has budgeted sufficient funding in its FY 2013 14 operating budget to cover the projected lease costs which are 100 percent net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease includes the following provisions:

- The seven-year lease term and rent will commence upon substantial completion and acceptance by the County of the Tenant Improvements (TI) provided by the Landlord.
- A modified-gross (MG) lease structure whereby the Landlord will be responsible for a portion of the operating expenses associated with the County's occupancy. The landlord will be obligated to cover maintenance, insurance, and property taxes and the Sheriff's Department will be responsible for utilities and janitorial expenses, as well as reimbursing the landlord for air conditioning services that exceed \$7,500 per year.
- The Landlord will provide a non-reimbursable base TI allowance of \$20 per square foot, or \$850,940 for new paint and carpet, as well as minor lighting and air conditioning improvements.
- The Sheriff's Department will use its internal resources to acquire furniture and complete electrical system modifications.
- The County will have the right to cancel the lease at or any time after 60 months of the lease term upon 270 days prior written notice. The unamortized portion of the related real estate commissions are payable upon cancellation.

The CEO-Real Estate Division staff surveyed the immediate area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically. Attachment C shows all County-owned and leased facilities within a ten-mile radius of the subject facility. Based upon the survey, staff has established that the annual rental range for similar space and terms is between \$20.40 and \$27 per square foot on a MG basis. Therefore, the proposed annual rental rate of \$21, including parking, is in the range of the MG market rates for this area.

The Department of Public Works inspected the facility and has found it suitable for County occupancy. Construction of the TIs will be completed in compliance with the Americans with Disabilities Act and applicable building codes. Additionally, the Landlord will ensure path of travel requirements are met.

There is no space available to accommodate a childcare facility at the proposed leased premises.

ENVIRONMENTAL DOCUMENTATION

The CEO has made an initial study of environmental factors and has concluded that this Project will have no significant impact on the environment and no adverse effect on wildlife resources. Accordingly, a Negative Declaration has been prepared and a notice posted at the site as required by the California Environmental Quality Act and the California Administrative Code, Section 15072. Copies of the completed study, the resulting Negative Declaration, and the Notice of Preparation of Negative Declaration as posted are attached. No comments to the Negative Declaration were received. A fee must be paid to the State Department of Fish and Game when certain notices are filed with the Registrar-Recorder/County Clerk. The County is exempt from paying this fee when the Board finds that a project will have no impact on wildlife resources.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will provide the necessary office space for this County requirement and the Sheriff's Department concurs with the proposed recommendation.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors, return two originals of the executed lease and the adopted, stamped Board letter and two certified copies of the Minute Order to the CEO, Real Estate Division at 222 South Hill Street, Fourth Floor, Los Angeles, CA 90012.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'WTF', followed by a horizontal line.

Addendum B: Tenant Improvements
Addendum C: Memorandum of Tenant

2. PREMISES

(a) Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1 and Exhibit A attached hereto.

(b) The reference to the square footage of the Premises is approximate and there shall be no adjustment to the Basic Rent or any other term of the Lease if the actual square footage is more or less than the square footage referenced in this Lease. Tenant shall be given access to field-measure and verify the exact footage of the Premises and/or the Building prior to Lease execution.

3. COMMON AREAS. Tenant may use the following areas ("Common Areas") in common with Landlord and other tenants of the Building: the entrances, lobbies and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Areas established by Landlord.

4. COMMENCEMENT AND EXPIRATION DATES

(a) Term. The term of this Lease shall commence upon the Commencement Date and terminate on the Termination Date. Within 30 days of determining the Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement Date by executing the Commencement Date Memorandum and Confirmation of Lease Terms attached as Exhibit C. The Commencement Date shall begin on the earlier of (i) the date of Tenant's Acceptance of the Premises, or (ii) Tenant's occupancy of the Premises. The term "Tenant's Acceptance of the Premises" as used in this Lease shall mean the date upon which the Premises are Substantially Complete. The term "Substantially Complete" or "Substantial Completion" as used in this Lease shall mean compliance with all of the following: (1) the shell and core of the Building are complete and in compliance with all applicable laws and codes when the Building was constructed, and all of the building systems are operational to the extent necessary to service the Premises; (2) Landlord has sufficiently completed all the work required to be performed by Landlord in accordance with this Lease, including the installation of modular furniture systems, if so required (except minor punch list items which Landlord shall thereafter promptly complete), such that Tenant can conduct normal business operations from the Premises; (3) Landlord has obtained a certificate of occupancy for the Building, or a temporary certificate of occupancy for that portion of the Building that includes all of the Premises, or its equivalent; (4) Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this Lease; and (5) if Landlord is responsible for the installation of telecommunication systems, then such systems shall be completely operational. If a Tenant Delay or Tenant change order results in a delay in Substantial Completion of the Tenant Improvements, then the date of Substantial Completion shall be the date Substantial Completion would have occurred if there had been no Tenant Delay or change order.

(b) Termination Right. If the Commencement Date has not occurred within 90 days from the Projected Commencement Date, subject to Tenant Delays or Force Majeure Delays as provided in Landlord's Work Letter, which has been executed concurrently herewith, Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord and the parties shall have no further obligations to one another hereunder.

(c) Early Possession. Tenant shall be entitled to possession of the Premises not less than 30 days prior to the Commencement Date for the purpose of installing Tenant's furniture, fixtures and equipment in the Premises. Such early occupancy shall be subject to all provisions hereof but shall not advance the Termination Date, and Tenant shall not pay Basic Rent for such early occupancy period.

(d) Early Termination. Tenant shall have the right to terminate this Lease at any time after the Early Termination Notice Date, as defined in Section 1, by giving Landlord not less than 270 days prior written notice executed by the Chief Executive Officer of Tenant. At least thirty (30) days prior to the date of early termination, Tenant shall pay to Landlord a sum equal to the unamortized portion, as of the time of said payment, of the broker's commissions paid to CB Richard Ellis and Tenant, based on a seven (7) year term commencing on the Commencement Date.

5. RENT.

(a) The first full calendar month's Rent shall be due and payable within 30 days of the Commencement Date in the total amount shown in Section 1(i) hereof. A monthly installment in the same amount, subject to the adjustments described herein below, shall be due and payable without demand on or before the first day of each calendar month succeeding the Commencement Date during the Term, except that Rent for any fractional calendar month at the commencement or end of the Term shall be prorated on a daily basis, provided that Landlord shall file a payment voucher with the Auditor of the County of Los Angeles (the "County") for the monthly Rent prior to the Commencement Date for the initial month(s) of the Term up to and including June, and annually thereafter in June for the ensuing 12 months.

(b) RENT ADJUSTMENT. At the beginning of the 13th month of the Lease Term (the "Adjustment Date") and on every anniversary of the Adjustment Date thereafter, Base Rent shall be adjusted by applying the CPI Formula set forth below.

(c) CPI Formula. The Index means the Consumer Price Index for all Urban Consumers for the Los Angeles-Riverside-Orange County, CA area, all items published by the United States Department of Labor, Bureau of Labor Statistics (1982-84=100). The "CPI Formula" means Base Rent multiplied by a fraction, the numerator being the Index published for the month immediately preceding the month the adjustment is to be effective, and the denominator being the Index published for the month the Lease commenced (the "Base Index"). If the Index is changed so that the Index differs from that used as of the Commencement Date of the Lease, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics.

If the Index is discontinued or revised during the Term of this Lease, such other governmental Index or computation with which it is replaced shall be used in order to obtain substantially the same results as would be obtained if the Index had not been discontinued or revised.

(d) Illustration of Formula. The formula for determining the new rent shall be as follows:

$$\frac{\text{New Index}}{[\text{Base Index}]} \times \$74,457.25 \text{ (Current Base Rent)} = \text{New Monthly Base Rent}$$

(e) Limitations on CPI Adjustment. In no event shall the monthly Base Rent adjustment based upon the CPI formula result in an annual increase less than two percent (2%) or more than four percent (4%) per year over the Base Rent in effect for the prior year.

6. USES. The Premises are to be used only for the uses set forth in Section 1 and for no other business or purpose; however, Landlord shall not unreasonably withhold its consent to a change of use.

7. HOLDOVER. If Tenant remains in possession of the Premises or any part thereof after the expiration of the Term of this Lease, such occupancy shall be a tenancy which is terminable only upon 30 days written notice from Landlord or 30 days written notice from the Chief Executive Officer of Tenant at one hundred twenty five percent (125%) of the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

8. COMPLIANCE WITH LAW. Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises.

9. DAMAGE OR DESTRUCTION.

(a) Damage. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord's expense, repair such damage and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within ten (10) days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenantable again using standard working methods. The failure

to do so shall be a material default hereunder. Basic Rent shall abate to the extent that the Premises are unusable by Tenant unless the damage was caused by the negligence, act or omission of Tenant or any employee, agent, representative or visitor of Tenant in which case there shall be no rental abatement. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

(b) Tenant Termination Right. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days for any reason, then either Landlord or Tenant may terminate this Lease by giving written notice to the other party within ten (10) days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Basic Rent shall be abated from the date the Premises became untenable. In the event that neither party elects to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises to the extent of the insurance proceeds available to Landlord.

(c) Damage In Last Year. Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last two (2) years of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than 30 days after such destruction, in which case (a) Landlord shall have no obligation to restore the Premises, (b) Landlord may retain all insurance proceeds relating to such destruction, and (c) this Lease shall terminate as of the date which is 30 days after such written notice of termination.

(d) Default By Landlord. If Landlord is required to repair and restore the Premises as provided for in this Section and Landlord should fail to thereafter pursue said repair and restoration work with reasonable diligence to completion, Tenant may terminate this Lease.

10. REPAIRS AND MAINTENANCE.

(a) Landlord Representations. Landlord represents to Tenant that Landlord's actual knowledge as of the date of this Lease, (i) the Premises, the Building and all Common Areas, (including electrical, heating, ventilating and air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) comply with all current laws, codes, and ordinances, including use the Americans With Disabilities Act; and are in reasonable good working order and condition; (ii) the Building and Premises comply with all covenants, conditions, restrictions and underwriter's requirements; (iii) the Premises, Building and Common Areas are free of the presence of any Hazardous Materials (as hereinafter defined); and (iv) Landlord has not received any notice from any governmental agency that the Building or the Premises are in violation of any law or regulation. Landlord represents, based upon an Asbestos Report that the Premises and the Building contain no asbestos containing materials (other than as may be reflected in the Asbestos Report).

(b) Landlord Obligations. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed: (i) the structural elements of the Building, including without limitation, all permanent exterior and interior walls, floors and ceilings, roof, concealed plumbing, stairways, concealed electrical systems and telephone intrabuilding network cable (ii) mechanical (including HVAC),

electrical, plumbing and fire/life safety systems serving the Building (iii) the Common Areas; (iv) exterior windows of the Building; and (v) elevators serving the Building. Landlord, at its sole cost and expense, shall also perform all maintenance and repairs to the Premises, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Since Tenant may use the HVAC 24/7, Tenant shall pay to Landlord the cost of all HVAC service, repair, maintenance and replacement in excess of \$7,500 per calendar year (pro-rated for any period less than a full calendar year), to be paid by Tenant within ten (10) days after delivery of an invoice from Landlord to Tenant. Landlord's repair obligations include, without limitation, repairs to: (1) the floor covering; (2) interior partitions; (3) doors; (4) the interior side of demising walls; and (5) signage. Repairs shall be requested by Tenant during normal business hours, and Landlord shall make all required repairs during normal business hours, except in the case of an emergency or dangerous situation. Any repairs which are necessary due to the gross negligence or willful misconduct of Tenant or any employee, agent, representative or visitor of Tenant shall be paid for by Tenant.

(c) Tenant Obligations. Without limiting Landlord's Obligations, Tenant shall, at Tenant's sole expense, be responsible to perform all maintenance and repairs to the Premises, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Furthermore, Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall: (a) be made and performed by contractors or mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed; (b) be at least equal in quality, value and utility to the original work or installation; and (c) be in accordance with all laws.

(c) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than five days after the giving of such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If not reimbursed by Landlord within ten (10) days, Tenant shall be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

11. SERVICES AND UTILITIES.

Landlord shall furnish the following services and utilities to the Premises:

(a) Heating, Ventilation and Air Conditioning. Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours, as set forth in Section 1.1 herein, in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other first-class buildings, provided that Tenant shall pay all utility costs for HVAC during Normal Working Hours and any other hours when HVAC is required by Tenant.

(b) Electricity. Landlord shall furnish to the Premises the amount of electric current provided for in the Working Drawings (if applicable) but in any event not less than seven watts of electric current (connected load) per square foot of Rentable Square Feet in the Premises, for power and lighting and electric current for HVAC, and Landlord shall provide the existing or new transformers or subpanels on each floor of the Premises necessary for Tenant to utilize such capacity in the Premises, provided that Tenant shall pay all utility costs for power, lighting, HVAC and electric current to the Premises.

(c) Elevators. N/A

(d) Water. Landlord shall make available water for normal lavatory and potable water meeting all applicable governmental standards for drinking purposes in the Premises.

(e) Access. Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building.

(f) Utility Interruption. Tenant shall not be entitled to rent abatement or any claim for damages and Landlord shall have no liability for any utility or service interruption unless such interruption is caused by Landlord's negligence and Tenant is unable to conduct its business from the Premises as a result of such interruption, in which case Tenant's sole remedy shall be rental abatement. Notwithstanding the foregoing, the parties agree and understand that when any utility or service interruption occurs for more than five (5) consecutive business days Tenant shall have the right to rent abatement, damages and other remedies.

Tenant shall be responsible for the following utility charges in connection with its use of the Premises:

(a) Tenant shall be responsible for and shall pay promptly, all charges for gas, electricity, heat, light, power, and telephone services furnished directly or indirectly to the Premises during the Term.

(b) Tenant's monthly electrical and gas usage shall be separately metered and billed to Tenant, and Tenant shall pay the utility companies directly in a timely fashion for such usage pursuant to arrangements made by Tenant with the utility companies. Tenant agrees that, at all times during the term of this Lease, Tenant's use of electric current shall never exceed the capacity of the feeders to the Building or the risers or wiring installation in the Building.

(c) Tenant shall be responsible for and shall pay promptly for adequate janitorial and cleaning services at the Premises.

12. LANDLORD ACCESS. Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

13. TENANT DEFAULT.

(a) Default. The occurrence of any one or more of the following events (a "Tenant Default") shall constitute a material default and breach of this Lease by Tenant:

(i) The failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten (10) days after written notice to Tenant;

(ii) The failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of 30 days after written notice from Landlord specifying in detail the nature of the Tenant Default; provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion (but in no event more than sixty (60) days).

(b) Remedies. Upon the occurrence of a Tenant Default under this Lease, Landlord shall have the following rights and remedies in addition to all other rights or remedies available to Landlord at law or in equity:

(i) The rights and remedies provided by California Civil Code Section 1951.2 including but not limited to the right to terminate Tenant's right to possession of the Premises and to recover from Tenant upon termination of the Lease:

(A) the worth at the time of award of the unpaid Rent which had been earned at the time of termination;

(B) the worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have reasonably been avoided;

(C) the worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of rental loss that Tenant proves could reasonably be avoided; and

(D) any cost for repairs, cleanup or refurbishing of the Premises or for removing and storing Tenant's personal property, equipment, fixtures, and anything else that

Tenant is required under this Lease to remove but fails to remove (including the cost of repairing any damage caused by such removal).

The "worth at the time of award" of the amounts referred to in clauses (i) and (ii) above shall be computed by allowing interest at the maximum annual interest rate allowed by law at the time of termination.

(ii) The rights and remedies under California Civil Code Section 1951.4, which allows Landlord to continue this Lease in effect and to enforce all of its rights and remedies under this Lease, including the right to recover Rent as it becomes due, for so long as Landlord does not terminate Tenant's right to possession; and

(iii) The right to enter the Premises and remove therefrom all persons and property, to store such property in a public warehouse or elsewhere at the cost of and for the account of Tenant, and to sell such property and apply the proceeds therefrom pursuant to applicable California law.

Tenant hereby waives all rights under California Code of Civil Procedure Section 1179 and California Civil Code Section 3275 providing for relief from forfeiture, and any other right now or hereafter existing to redeem the Premises or reinstate this Lease after termination pursuant to this Article or by order or judgment of any court or by any legal process.

Efforts by Landlord to mitigate damages caused by a Tenant Default shall not waive Landlord's right to recover any damages to which Landlord is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Landlord shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit.

(c) No Effect on Indemnity. Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

14. LANDLORD DEFAULT.

(a) Remedies. In addition to the provisions for Landlord's default provided by Sections 9(d), 10(c) 19 and 20(b), Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within ten (10) business days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10(c)) ; provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such ten (10) business -day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described

remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein: (i) to remedy such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due; (ii) to pursue the remedy of specific performance; and/or (iii) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due; and/or (iv) to terminate this Lease. Tenant shall have the right to abate the rent _if the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises, however Tenant shall continue to pay rent based on the portion of the Premises that it continues to use and occupy.

Notwithstanding anything to the contrary in this Lease, Tenant may only terminate the Lease due to a Landlord Default if (a) the Landlord Default is of such a substantial nature that Tenant is not able to conduct its operations at the Premises, (b) Tenant has provided Landlord and Landlord's lender with a second written notice (after the initial notice and expiration of the ten (10) business day cure period above) stating that Tenant intends to terminate the Lease pursuant to Section 14 (a) of the Lease if the Landlord Default is not cured within an additional thirty (30) business day cure period, subject to additional time if the nature of the Landlord Default is such that the same cannot reasonably be cured within such period and Landlord has commenced such cure and thereafter diligently prosecutes same to completion, and (c) Landlord does not cure the Landlord Default within the applicable period as described in subsection (b) above.

(b) Waiver. Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

(c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

15. ASSIGNMENT AND SUBLETTING. Tenant may not assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises without first obtaining Landlord's prior consent, which consent shall not be unreasonably withheld. No such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease.

16. ALTERATIONS AND ADDITIONS.

(a) Landlord Consent. Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws; (2) is not visible from the exterior of the Premises or Building; (3) will not materially affect the systems or structure of the Building; (4) does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building; and (5) costs less than \$50,000 in the aggregate in any calendar year. If Landlord fails to respond in writing within 30 days of such written request from Tenant, Landlord shall be deemed to approve the Alterations.

For any Alterations, Tenant shall deliver to Landlord at least thirty (30) days prior to commencement of the Alterations a copy of the plans and specifications, building permits, contractor name and license number and contractor's insurance certificate naming Landlord as an additional insured.

(b) End of Term. Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17. CONDEMNATION.

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

(c) Partial Taking. If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days nor later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within 150 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in

effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

(e) Award. The Award (as defined below) shall be Landlords, except that Tenant may make a separate request for an Award as to moving expenses and costs of Tenant's personal property. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

(f) Waiver of Statute. Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the superior court to terminate this Lease in the event of a partial taking of the Premises.

18. INDEMNIFICATION.

(a) Tenant's Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, or arising from any breach or default under this Lease by Tenant or arising from Tenant's use and/or occupancy of the Premises, the Building and/or the Common Areas. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees.

(b) Landlord's Indemnity. Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

19. INSURANCE.

(a) Landlord's Insurance. During the term of this Lease, Landlord shall maintain the following insurance:

(i) Commercial property insurance which shall (1) cover damage to Landlord's property, including improvements and betterments, from perils covered by the causes-of-loss special form (ISO form CP 10 30), and include ordinance or law coverage (and coverage against acts of terrorism to the extent such coverage is reasonably available and priced at commercially reasonable rates); and (2) be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value. Insurance proceeds shall be payable to Landlord and utilized for repair and restoration of the Premises.

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general

aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000; and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

(b) Insurance Requirements. All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Landlord shall be written as primary policies, not contributing with, and not in excess of coverage which Tenant may carry.

(c) Certificates. Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least 15 days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates shall include the address of the leased premises and must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Further, all certificates shall expressly provide that no less than 30 days' prior written notice shall be given to Tenant in the event of material change to, expiration or cancellation of the coverages or policies evidenced by the certificates.

(d) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

(e) Tenant's Insurance. During the term of this Lease, Tenant shall maintain the following insurance:

- (1) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:
 - (i) Per occurrence and general aggregate amount of \$5,000,000;
 - (ii) Products/completed operations aggregate of \$2,000,000 and
 - (iii) Personal and advertising injury of \$1,000,000.

Tenant shall obtain and keep in force a Commercial General Liability policy of insurance protecting Tenant and Landlord as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than \$2,000,000 per occurrence with an annual aggregate of not less than \$5,000,000. Tenant shall add Landlord as an additional insured. The limits of said insurance shall not, however, limit the liability of Tenant nor relieve Tenant of any obligation hereunder. Tenant shall provide an

endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Landlord, whose insurance shall be considered excess insurance only.

Tenant shall obtain and maintain insurance coverage on all of Tenant's personal property. Trade Fixtures, and Tenant Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed \$1,000 per occurrence. The proceeds from any such insurance shall be used by Tenant for the replacement of personal property. Trade Fixtures and Tenant Owned Alterations and Utility Installations.

Tenant shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a "Waiver of Subrogation" endorsement. Tenant shall provide Landlord with a copy of such endorsement along with the certificate of insurance or copy of the policy required by this section.

Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Tenant shall not do or permit to be done anything which invalidates the required insurance policies. Tenant shall, prior to the start date, deliver to Landlord certificate copies of such insurance or certificates with copies of the required endorsements evidencing the existing and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after thirty (30) days prior written notice to Landlord. Tenant shall, at least ten (10) days prior to the expiration of such policies, furnish Landlord with evidence of renewals or "insurance binders" evidencing renewal thereof, or Landlord may order such insurance and charge the cost thereof to Tenant, which amount shall be payable by Tenant to Landlord upon demand. Such policies shall be for a term of at least one (1) year, or the length of the remaining term of this Lease, whichever is less. If either party shall fail to procure and maintain the insurance required to be carried by it, the other party may, but shall not be required to, procure and maintain the same.

Without affecting any other rights or remedies, Tenant and Landlord each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Landlord or Tenant, as the case may be, so long as the insurance is not invalidated thereby.

Failure by Tenant to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease shall constitute a material breach of this Lease. Tenant shall have the right to use its self-insurance programs to comply with any and/or all of the insurance requirements herein, so long as Tenant delivers a certificate of self-insurance to Landlord.

20. PARKING.

(a) Tenant's Rights. Tenant shall have the right to the number of exclusive reserved parking stalls set forth in Section 1 without charge for the Term of this Lease. No tandem parking shall be permitted and Tenant shall be entitled to full in/out privileges. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all other parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building.

(b) Remedies. Landlord acknowledges that it is a material term of this Lease that Tenant receives all of the Parking Spaces to which it is entitled under this Lease for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provisions. It is therefore agreed that if, for any reason whatsoever, fifty percent (50%) of the Parking Spaces required above are not available to Tenant, (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation) Tenant may (a) terminate this Lease by giving written notice of such termination to Landlord, which notice shall be effective 30 days thereafter or (b) deduct from the Basic Rent thereafter accruing hereunder an amount each month equal to \$70 per parking space. Notwithstanding the foregoing, Landlord shall have the option to provide alternative parking arrangements within 200 feet of the premises in the event Tenant parking rights are interrupted.

(c) City Approval Contingency. In the event that the City of Monterey Park does not approve Landlord's parking plan in order for Landlord to provide the required amount of parking stalls set forth in Section 1, either party shall have the right to terminate this Lease upon fifteen (15) days written notice to the other party, in which case neither party shall have any further liability to the other party under this Lease.

21. ENVIRONMENTAL MATTERS

(a) Hazardous Materials. Tenant shall not cause nor permit, nor allow any of Tenant's employees, agents, customers, visitors, invitees, licensees, contractors, assignees or subtenants to cause or permit, any Hazardous Materials to be brought upon, stored, manufactured, generated, blended, handled, recycled, treated, disposed or used on, under or about the Premises, the Building or the Common Areas, except for routine office and janitorial supplies in usual and customary quantities stored, used and disposed of in accordance with all applicable Environmental Laws.

(b) As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof, whether solid, semi-solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended

from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Building or the Common Areas.

(c) Landlord Indemnity. Landlord shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fine, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than caused by Tenant or Tenant's employees, representations or agents. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. Landlord shall promptly deliver to Tenant a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Landlord under this Section shall constitute a material default under this Lease, provided Landlord receives written notice from Tenant and Landlord fails to cure within the applicable cure period for a Landlord default, and Tenant shall not be entitled to rental abatement unless the presence of Hazardous Materials prevents Tenant from using the Premises.

(d) Tenant Indemnity. Tenant shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Landlord from and against any and all claims, judgments, causes of action, damage, penalties, fine, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than caused by Landlord or Landlord's employees, representations or agents. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. Tenant shall promptly deliver to Landlord a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. Tenant's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Tenant under this Section shall constitute a material default under this Lease, provided Tenant receives written notice from Landlord and Tenant fails to cure within the applicable cure period for a Tenant default.

22. ESTOPPEL CERTIFICATES. Tenant shall, within 30 days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Exhibit "C" attached hereto and incorporated herein by this reference but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest or holder of any mortgage upon Landlord's interest in the Premises.

23. TENANT IMPROVEMENTS. Prior to the Commencement Date, Landlord shall construct the Tenant Improvements in the manner set forth in the Landlord's Work Letter executed by Landlord and Tenant concurrently herewith.

24. LIENS. Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder and hereby indemnifies and holds Tenant harmless from any liability or loss from any such lien.

25. SUBORDINATION AND MORTGAGES

(a) Subordination and Non-Disturbance. Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Building; provided, however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Exhibit "D" attached hereto and incorporated herein by this reference and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase or right of first offer to purchase the Property which may be included herein.

(b) Existing Deeds of Trust. The beneficiary under any existing deed of trust affecting the Building shall provide a written agreement to Tenant in the form of Exhibit "E" attached hereto and incorporated herein by this reference within 30 days after the execution of this Lease.

(c) Request for Notice. Landlord acknowledges that Tenant intends to record a Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the form of Exhibit "F" attached hereto and incorporated herein by this reference.

(d) Notice of Default. If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by registered mail requesting any such notice with reference to this Section, Tenant agrees to give such mortgagee a copy of any notice of default served upon Landlord hereunder which could permit Tenant to terminate this Lease and an additional thirty (30) days within which to cure such default.

26. SURRENDER OF POSSESSION. Subject to casualty, at the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises to Landlord in a "broom-clean" condition and in the same condition on the Commencement Date subject to ordinary wear and tear. Tenant may (but shall not be required to) remove, at its own expense, all fixtures, equipment and all other personal property

placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture).

27. SIGNAGE. Tenant shall be permitted to install at the Premises reasonably appropriate signs that conform with any and all applicable laws and ordinances.

28. QUIET ENJOYMENT. So long as Tenant is not in default hereunder, Tenant shall have the right to the quiet and peaceful enjoyment and possession of the Premises and the Common Areas during the Term of this Lease, subject to the terms and conditions of this Lease.

29. GENERAL

(a) Headings. Titles to Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

(b) Successors and Assigns. All of the covenants, agreements, terms and conditions contained in this Lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

(c) Brokers. Landlord and Tenant each represent and warrant to each other that it has not engaged any broker, finder or other person who would be entitled to any commission or fees in respect of the negotiation, execution or delivery of this Lease other than CB Richard Ellis as disclosed to the other in writing and shall indemnify and hold harmless each other against any loss, cost, liability or expense incurred by the other party as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made in variance with this representation. Tenant shall receive from Landlord or Landlord's broker, within ten (10) days after the later of (i) execution of this Lease and (ii) Board of Supervisors approval (as described in Section 30), an amount equal to 50% of all commissions due to Landlord's broker as a result of the execution of this Lease, payable to Tenant as follows: one-half (1/2) on the satisfaction of (i) and (ii) above, and one-half (1/2) upon the rent commencement date.

(d) Entire Agreement. This Lease (and the Landlord's Work Letter and Supplemental Lease Documents) is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect and the covenants and agreements of this Lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

(e) Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

(f) Notices. All notices and communications to any party hereunder shall be in writing and shall be deemed properly given if delivered personally, sent by registered or certified mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's

Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the same is to be given.

(g) Governing Law and Forum. This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

(h) Waivers. No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

(i) Time of Essence. Time is of the essence for the performance of all of the obligations specified hereunder.

(j) Consent. Whenever any consent is required by Landlord or Tenant hereunder, such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise specifically provided herein, shall be deemed granted if not refused within ten (10) business days after written request is made therefore, together with all necessary information.

(k) Community Business Enterprises. Landlord shall complete and deliver to Tenant concurrently with the execution hereof a Community Business Enterprises form set forth as Document III in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

(l) Memorandum of Lease. If requested by Tenant, Landlord and Tenant shall execute and acknowledge a Memorandum of Lease in the form of Document IV in the Supplemental Lease Documents delivered to Landlord concurrently herewith, which Memorandum may be recorded by Tenant in the Official Records of Los Angeles County.

30. AUTHORITY. Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or its delegee (the

"Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

31. ACKNOWLEDGMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

(a) Consideration of GAIN Program Participants. Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

(b) Solicitation of Consideration. It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the landlord's submission being eliminated from consideration.

(c) Landlord Assignment.

(i) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met.

(ii) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.

(iii) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of the California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. Notwithstanding the foregoing, the County hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with CMBS (collateralized mortgage backed securities) financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.

(iv) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of (a) \$500,000 or (b) 10% of the aggregate principal portion of all rental payments payable by the County during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

(v) Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Rent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.

(vi) Landlord shall not furnish any information concerning County or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity (other than Landlord's attorney, accountant, broker, lender and prospective buyer), except with County's prior written consent. Landlord shall indemnify, defend and hold County and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.

(vii) The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns whether so expressed or not.

32. IRREVOCABLE OFFER. In consideration for the time and expense that Tenant will invest, including, but not limited to, preliminary space planning, legal review, and preparation and noticing for presentation to the Tenant Real Estate Management Commission of Los Angeles County in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.

IN WITNESS WHEREOF this Lease has been executed the day and year first above set forth.

(j) Addenda	<p>Addendum A: Base Building Improvement Plans</p> <p>Addendum B: Tenant Improvements</p> <p>Addendum C: Costs of Tenant Improvements</p>

2. **Construction of the Building.**

2.1 **Base Building Improvements.** Tenant has visited the Building and the Premises and accepts the condition of the base Building improvements as a part of the Building (the "Base Building Improvements"). To the extent that the Base Building Improvements must be changed or added to in order to accommodate the special needs of Tenant in the Premises or to accommodate the Tenant Improvements, such changes or additions shall be considered Tenant Improvements and the cost shall be applied to the Base Tenant Improvement Allowance and the Additional Tenant Improvement Allowance (as defined below) only to the extent such changes or additions are specifically described in Exhibit A to the Lease and Addendum B hereto. All soft costs, architecture and engineering costs associated with the Base Building Improvements shall be itemized and separated from all soft costs, architecture and engineering costs associated with the Tenant Improvements.

2.2 **Additional Costs Not Tenant Improvement Costs**

(a) In the event that the Building as initially constructed does not comply with current life-fire safety codes, disabled access codes (including, without limitation, the ADA), and/or earthquake safety codes, and Landlord incurs increased design or construction costs based on costs to comply with any such codes which are triggered by the Tenant Improvements, then such costs shall not be included in the calculation of Tenant Improvement Costs as defined below and applied to the Base Tenant Improvement Allowance or Additional Tenant Improvement Allowance, Tenant shall have no financial responsibility for any costs related to ADA improvements.

(b) Any work that Landlord must undertake to cause the Premises to make existing building systems, including, but not limited to, electrical service and HVAC equipment, operational shall be at Landlord's sole cost and expense, unless such costs, are triggered by the Tenant Improvements in which case the costs shall be applied to the Base Tenant Improvement Allowance or Additional Tenant Improvement Allowance. Costs of upgrades to the operational HVAC and electrical systems identified in Exhibit A to the Lease and Addendum B shall be funded via the Tenant Improvement Allowances. Tenant Improvement Costs shall not include any costs associated with (i) asbestos abatement or compliance with the Hazardous Materials provision of the Lease, including all expenses associated with curing any "Sick Building Syndromes", (ii) fire sprinkler system installation or upgrade, (iii) conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere, or (iv) utility

costs incurred during construction except as expressly provided otherwise in the Lease or this Landlord's Work Letter.

2.3 **Base Building Plans.** Landlord shall deliver to Tenant "as built" plans and specifications for the Building in an AutoCAD 2000 format. In the event Tenant incurs additional costs because such plans and specifications are incomplete or inaccurate, such increased costs will be reimbursed to Tenant and any delay caused thereby shall not be a Tenant Delay, as defined below.

3. **Selection of Architect and Engineer.** Landlord shall promptly solicit at least 3 proposals from qualified licensed architect(s) ("Architect") and engineer(s) ("Engineer") familiar with all applicable laws and building requirements detailing a scope of work sufficient to complete the Working Drawings for Tenant Improvements as defined below. The Architect and the Engineer shall be selected by Landlord subject to Tenant's consent, which consent shall not be unreasonably withheld or delayed, and which consent (or refusal to consent for reasonable reasons) shall be granted within 3 business days after Landlord has submitted the name of the Architect and the Engineer to Tenant together with detailed proposals outlining the cost for design/engineering services. This procedure shall be repeated until the Architect and the Engineer is/are finally approved by Tenant and written consent has been delivered to and received by Landlord.

4. **Selection of Contractor** The Final Plans for the Tenant Improvements, as defined below in Section 5.4, shall be submitted to contractor(s), selected by Landlord and approved by Tenant, sufficient in number so that a minimum of 3 bids are received. Each approved contractor shall be requested to submit a sealed fixed price contract bid price (on such contract form as Landlord shall designate) to construct the Tenant Improvements designated on the Final Plans. Landlord and Tenant shall jointly open and review the bids. Landlord and Tenant, after adjustments for inconsistent assumptions, shall select the most qualified bidder offering the lowest price and such contractor ("Contractor") shall enter into a construction contract ("Construction Contract") with Landlord consistent with the terms of the bid to construct the Tenant Improvements.

5. **Preparation of Plans and Specifications and Construction Schedule.**

5.1 **Preparation of Space Plan.** Concurrently with the execution of this Lease, Tenant shall submit to Landlord a space plan and specifications for the Premises showing all demising walls, corridors, entrances, exits, doors, interior partitions, and the locations of all offices, conference rooms, computer rooms, mini-service kitchens, and the reception area, and file room (the "Space Plan", which is attached to the Lease as Exhibit A).

5.2 **Preparation and Approval of Working Drawings.** Within 10 business days after this Lease is executed by the County Board of Supervisors (the "Plan Submission Date"), Landlord shall instruct the Architect to commence preparation of Working Drawings for the Tenant Improvements (the "Working Drawings"), which shall be compatible with the design, construction and equipment of the Building, comply with all applicable laws, be capable of physical measurement and construction, contain all such information as may be required for the construction of the Tenant Improvements and the preparation of the Engineering Drawings (as defined below), and contain all partition locations, plumbing locations, air conditioning system and duct work, special air conditioning requirements, reflected ceiling plans, office equipment locations, and special security systems. The Working Drawings may be submitted in one or more stages and at one or more times. Landlord shall provide Tenant the Working Drawings, or such portion as has from time to time been submitted, for review.

Landlord shall be solely responsible for insuring that the Working Drawings fully comply with all applicable building codes and are free from errors or omissions on the part of the Architect.

5.3 Preparation and Approval of Engineering Drawings. Landlord shall cause the Architect to coordinate all engineering drawings prepared by the Engineer, showing complete mechanical, electrical, plumbing, and HVAC plans ("Engineering Drawings") to be integrated into the Working Drawings. The Engineering Drawings may be submitted in one or more stages and at one or more times for Tenant's review.

5.4 Integration of Working Drawings and Engineering Drawings into Final Plans. After Tenant has approved the Engineering Drawings, Landlord shall cause the Architect to integrate the approved Working Drawings with the approved Engineering Drawings (collectively "Final Plans") and deliver 5 sets of the Final Plans to Tenant. The Final Plans shall be suitable for plan check review and permitting by local agencies having jurisdiction, for the layout, improvement and finish of the Premises consistent with the design and construction of the Base Building Improvements, including electrical and mechanical drawings, capacity reports, dimensioned partition plans, floor and wall finish plans, reflected ceiling plans, power, telephone communications and data plans, life safety devices, construction detail sheets including millwork detail plans showing the location of partitions, light fixtures, electrical outlets, telephone outlets, sprinklers, doors, equipment specifications (including weight specifications and cooling requirements) and power requirements (including voltage, amps, phase, and special plugs and connections), wall finishes, floor coverings, millwork and other Tenant Improvements.

5.5 Approval of Plans by Tenant. Approval by Tenant shall not be deemed to be a representation by Tenant as to the adequacy or correctness of the design of the Tenant Improvements.

5.6 Schedule. Within forty-five (45) days after the Plan Submission Date, Landlord shall submit to Tenant a detailed construction schedule, subject to approval by Tenant which approval shall not be unreasonably withheld or delayed, setting forth the dates for specific completion of certain project benchmarks including, but not limited to, completion of Working Drawings, completion of Engineering Drawings, submission of plans to local jurisdiction for review, issuance of building permit, submission of plans to contractors for bidding, award of construction contract, construction commencement, construction completion, Projected Commencement Date and other similar dates. As the construction continues, Landlord shall amend the schedule from time to time to reflect any changes to the projected dates.

6. Final Construction Budget and Payment of Tenant Construction Costs

6.1 Construction Budget. Within seven (7) business days after the Plan Submission Date, Landlord shall submit to Tenant a preliminary budget (the "Preliminary Budget"). Such budget shall be revised into final form within 10 business days from the date the Contractor is selected and will be referred to herein as the "Final Construction Budget". Tenant shall have 5 business days from the date of receipt of the Final Construction Budget to approve or disapprove the Final Construction Budget. Construction of the Tenant Improvements shall not begin until such time as Tenant indicates its approval or disapproval of the Final Construction Budget or the 5 business day period expires without any response from Tenant. In the event Tenant disapproves the Final Construction Budget due to matters related to cost and the Final Construction Budget is 10% or more higher in cost than was projected in the Preliminary Construction Budget, then any delay caused by the necessity to rebid or redesign the Tenant Improvements shall not be considered a Tenant Delay.

Landlord shall construct the Tenant Improvements according to Tenant's plans and specifications outlined in Lease Exhibit A and Addendum B hereto at Landlord's sole cost and expense, subject to reimbursement as set forth in Section 6.3 hereof. When considering the costs of the Tenant Improvements, the following shall be included in the determination of said costs: an amount equal to Landlord's actual costs for architects' fees, contractors' fees, engineers' fees, other professionals' fees (if any, and only as approved in advance by Tenant), plus an additional

charge of 5% of construction costs for those items set forth in Addendum B, as a supervision fee for Landlord.

6.2 Additional Tenant Improvement Allowance. N/A

6.3 Method of Payment. N/A

7. Construction of Tenant Improvements.

7.1 Tenant Improvements. Tenant Improvements to be constructed by Landlord are described more particularly on Exhibit A to the Lease and Addendum B hereto.

7.2 Bids. Unless waived by Tenant in writing, any major contractors, subcontractors and materials providers providing labor and/or materials for the Tenant Improvements shall be selected only after 3 bids have been solicited from responsible and qualified persons. Landlord shall submit 3 sealed fixed price bids for the construction of the Tenant Improvements to Tenant for its review prior to the award of the Construction Contract. The bids shall be jointly opened and reviewed. The bids shall include an itemized list of all materials and labor and shall include all additional costs, including architects and engineering fees, permits, reasonable contractor's profit and overhead, and project management fees.

(a) Permits. Landlord shall secure the approval of governmental authorities, and all permits required by governmental authorities having jurisdiction over such approvals and permits for the Tenant Improvements, promptly after approval of the Final Plans.

(b) Commencement of Construction. Landlord shall commence construction of the Base Building Improvements and Tenant Improvements within 15 business days after issuance of all such necessary permits. Landlord shall commence and, once commenced, shall thereafter diligently proceed to construct and complete all Base Building Improvements and Tenant Improvements, subject to any cessation that may be caused by Force Majeure Delays.

7.3 Construction. Construction of the Tenant Improvements will be subject to the following terms and conditions:

(a) Notice of Non-responsibility. Landlord and the Contractor shall cooperate with Tenant in posting a notice or notices of non-responsibility by Tenant.

(b) Decorating Decisions. All design and programming, space planning and interior decorating services, such as selection of wall paint colors and/or wall coverings, furniture, fixtures, carpeting and any or all other decorator selection efforts required by Tenant, shall be provided by Landlord at Landlord's expense (to be applied against the Base Tenant Improvement Allowance or the Additional Tenant Improvement Allowance) in accordance with Tenant's Space Plan. Landlord shall consult with Tenant with respect to all such decorating services and decisions.

(c) Clean-Up Work. Landlord will be responsible for all clean-up with respect to the Tenant Improvements, whether in the Premises themselves or in other areas utilized by Landlord or its contractors. Landlord further agrees to reimburse Tenant for any and all expenses incurred by Tenant as a result of inadequate clean-up, only after providing Landlord with 10 days written notice specifying in reasonable detail what it considers inadequate clean-up and allowing Landlord 10 days to cure such remaining clean-up.

(d) Compliance with Laws. Construction of the Tenant Improvements shall comply with all applicable laws and regulations and shall be subject to the general inspection of Tenant. The Premises shall comply with all applicable city, county, state and federal building codes, regulations and ordinances required for beneficial occupancy, including, but not limited to, all provisions of the Labor Code of the State of California. Under the provisions of the Labor Code, the State Department of Industrial Relations will ascertain the prevailing hourly rate in dollars and details pertinent thereto for each craft, classification or type of workman or mechanic needed for the construction of the improvements. Particulars of the current Prevailing Wage Scale, as approved by the Board of Supervisors which are applicable to the work, are filed with the Clerk of the Board of Supervisors and must be posted at the site.

7.4 Conformed Plans. Within 60 days after Substantial Completion of the Tenant Improvements and receipt from the Contractor of all field changes, Landlord shall submit to Tenant a set of conformed plans ("as-builts") incorporating, in accordance with standard industry custom and practice, field changes made and changes and/or revisions that have been made subsequent to the submission of the Final Plans. Such "as-built" or "record documents" shall be submitted on three and one-half inch (3½") 1.4Mb magnetic media diskettes in Auto CAD R 12.dwg (or later version) format or .DXF format, along with one complete set of mylar transparencies of drawings and one complete set of specifications.

8. Change Orders. N/A

9. Furniture System. N/A

10. Tenant Improvement Costs Adjustment and Right to Audit. Within 20 days of the issuance of a Certificate of Occupancy (or temporary certificate of occupancy), or a final sign-off by the City of Monterey Park, whichever occurs first, Landlord shall notify Tenant of the final Tenant Improvement costs, by executing a summarized breakdown of the total costs of the Tenant Improvements in the form of the attached Addendum C – Memorandum of Tenant Improvement Costs. Tenant shall have the right to audit such costs for a period of 24 months from the date of Tenant's acceptance of the Premises. In the event the audit shows that Tenant is entitled to a reduction in payments to the Landlord under this Landlord's Work Letter, Tenant shall provide Landlord with a copy of the audit summary and Landlord shall pay Tenant the amount of any over-payment made by Tenant within 30 days and future payments shall be adjusted as appropriate based upon the audit results.

Landlord shall be deemed to own the Tenant Improvements and any Alterations or improvements at the Premises ("Real Property") and Landlord shall have the right to depreciation on such items. Tenant shall retain ownership of all furniture, fixtures and equipment ("Personal Property") throughout the duration of this lease.

11. Exclusions. The Tenant Improvement Costs shall not include any costs incurred for asbestos abatement, fire sprinkler system, or conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere. All work for required asbestos abatement, fire sprinkler system, or air conditioning system conversion shall be performed at the sole cost and expense of Landlord.

12. Telephone/Computer Room and Equipment. Landlord shall complete the telephone equipment room(s) including permanent power and HVAC, in compliance with the Space Plan and specifications provided by Tenant, at least 30 days prior to the Projected Commencement

Date. During this 30 day period, the Landlord shall be responsible for any telephone/data equipment delivered to the site for programming prior to the Projected Commencement Date.

13. **Delay.**

13.1. **Tenant Delays and Force Majeure Delays.** Except as set forth herein, no delay in the completion of construction of the Tenant Improvements shall be considered in the determination of the Commencement Date of the Lease and, except as set forth herein or in the Lease, under no circumstance shall Tenant be charged with any delay whatsoever as a result of delay in the construction of Tenant Improvements (excluding Tenant Delays, defined below). Subject to the provisions of Section 13.2, the Projected Commencement Date set forth in the Lease shall be extended 1 business day for each day that: (i) Tenant fails or refuses to give authorizations or approvals within the time periods required herein, or causes delays due to Tenant's acts or omissions, but only to the extent such delays delay the commencement or completion of construction of the Tenant Improvements (referred to herein as "Tenant Delay(s)"); or (ii) Substantial Completion of the Tenant Improvements is delayed by lightning, earthquake, fire, storm, tornado, flood, washout, explosion, strike, lockout, labor disturbance, civil disturbance, riot, war, act of a public enemy, sabotage or other similar causes beyond the reasonable control of Landlord (referred to herein as "Force Majeure Delay(s)") or due to a change order.

13.2. **Limitations.**

(a) **Notice.** No Tenant Delay or Force Majeure Delay shall be deemed to have occurred unless Landlord has provided written notice, within 48 hours of the event giving rise to such claim, in compliance with the Lease, to Tenant specifying that a delay is claimed to have occurred because of actions, inaction or circumstances specified in the notice in reasonable detail. If such actions, inaction or circumstances qualify as a Tenant Delay or Force Majeure Delay, then a Tenant Delay or Force Majeure Delay, as applicable, shall be deemed to have occurred only commencing as of the date Tenant received such notice from Landlord.

(b) **Mitigation.** Tenant Delays and Force Majeure Delays shall delay the Projected Commencement Date only in the event that Substantial Completion of the Tenant Improvements is delayed, despite Landlord's reasonable efforts to adapt and compensate for such delays, which efforts Landlord shall be obligated to make.

(c) **Concurrent Delays.** Tenant Delays and Force Majeure Delays shall be recognized hereunder only to the extent the same are not concurrent with any other Tenant Delay or Force Majeure Delay which is effective hereunder. For example, if there are 10 days of Tenant Delays and 4 days of Force Majeure Delays which occur during the same 10 day period of such Tenant Delays, then the Projected Commencement Date would be extended by only 10 days; on the other hand, if such Tenant Delays and Force Majeure Delays did not occur during the same period, the Projected Commencement Date would be extended by 14 days.

(d) **Change Orders.** Landlord may not claim that a Change Order requested by Tenant was the cause of a delay in the construction of the Tenant Improvements unless the anticipated delay is specified in writing in the Change Order authorization.

14. **Tenant Remedies.** If Landlord fails to obtain the building permit to construct the Base Building Improvements and/or Tenant Improvements within a reasonable time, taking all factors into consideration, or if the Base Building Improvements and/or Tenant Improvements have not been completed within 120 days from the Projected Commencement Date, Tenant may, at its option:

14.1. Cancel the Lease upon 30 days written notice to Landlord; or

14.2. Upon 30 days written notice to Landlord, assume the responsibility for providing the Tenant Improvements itself. If Tenant elects to provide Tenant Improvements itself, then:

(a). Tenant, its officers, employees, agents, contractors and assignees, shall have free access to the Premises at all reasonable times for the purpose of constructing the Tenant Improvements and for any other purposes reasonably related thereto; and

(b). Tenant shall not have the right to terminate this Lease pursuant to Section 14.1 hereof. Notwithstanding the foregoing, all other early termination provisions of the Lease and this Work Letter shall remain valid and prevail throughout the Base Building Improvement and Tenant Improvement process and term of the Lease.

(c). Rent shall be reduced by Tenant's total expense in constructing the Tenant Improvements, including any financing charges for capital and a reasonable amount for its administrative costs, and including interest at the rate of nine percent (9%) (collectively, "Tenant's Total Expense"). The rent reduction schedule shall be as mutually agreed to between the parties or, if no such agreement is made, Tenant's Total Expense shall be fully amortized in equal monthly amounts over five years and deducted from the rent payable hereunder and under the Lease.

Any default by Landlord or Tenant under the terms of this Landlord's Work Letter shall constitute a default under the Lease and shall entitle the non-defaulting party to exercise all remedies set forth in the Lease.

15. **Representatives.**

(a) **Tenant Representative.** Tenant has designated Tenant's Work Letter Representative as its sole representative with respect to the matters set forth in this Landlord's Work Letter who, until further notice to Landlord, shall have the full authority and responsibility to act on behalf of Tenant as required in this Work Letter and whose address, for purposes of any notices to be given regarding matters pertaining to this Landlord's Work Letter only, is Tenant's Address for Work Letter Notice as set forth in Section 1.

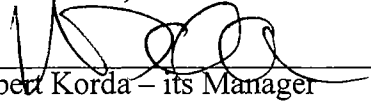

(b) **Landlord Representative.** Landlord has designated Landlord's Work Letter Representative as its sole representative with respect to the matters set forth in this Work Letter who, until further notice to Tenant, shall have the full authority and responsibility to act on behalf of Landlord as required in this Landlord's Work Letter and whose address, for purposes of any notices to be given regarding matters pertaining to this Landlord's Work Letter only, is Landlord's Address for Work Letter Notice as set forth in Section 1.

16. **Construction Meetings.** During the course of construction, meetings shall be held between the Contractor, Landlord and Tenant at least once per week, unless Tenant directs otherwise, at a time and place which is mutually convenient. An initial construction meeting shall be held within 5 business days of the date the Contractor is selected.

17. **Delivery.** Delivery of all plans and drawings referred to in this Work Letter shall be by commercial messenger service or personal hand delivery, unless otherwise agreed by Landlord and Tenant.

**SUBORDINATION, NON-DISTURBANCE
AND ATTORNMENT AGREEMENT**

This Subordination, Non-Disturbance and Attornment Agreement ("**Agreement**"), is made as of this ____ day of _____, 2013 among Wells Fargo Bank, National Association, not individually, but solely, as Trustee for the Certificate Holders of J.P. Morgan Chase Commercial Mortgage Securities Trust, Commercial Mortgage Pass Through Certificates Series 2007 – CIBC 18 under that certain Pooling and Servicing Agreement dated as of March 7, 2007 and February 27, 2012 ("**Amended and Restated Pooling and Servicing Agreement**") ("**Lender**"), by and through Berkadia Commercial Mortgage LLC, a Delaware limited liability company, its Master Servicer under said Pooling and Servicing Agreement, Mont-park L.P., a California limited partnership ("**Landlord**"), and County of Los Angeles, a body politic and corporate ("**Tenant**").

Background

A. Lender is the owner and holder of a deed of trust or mortgage or other similar security instrument (either, the "**Security Instrument**"), covering, among other things, the real property commonly known and described as One Cupania Office (Monterey Park), and further described on Exhibit "A" attached hereto and made a part hereof for all purposes, and the building and improvements thereon (collectively, the "**Property**").

B. Tenant is the lessee under that certain lease agreement between Landlord and Tenant dated 2013 ("**Lease**"), demising a portion of the Property described more particularly in the Lease ("**Leased Space**").

C. Landlord, Tenant and Lender desire to enter into the following agreements with respect to the priority of the Lease and Security Instrument.

NOW, THEREFORE, in consideration of the mutual promises of this Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

1. **Subordination.** Tenant agrees that the Lease, and all estates, options and rights created under the Lease, hereby are subordinated and made subject to the lien and priority of the Security Instrument.

2. **Nondisturbance.** Lender agrees that no foreclosure (whether judicial or nonjudicial), deed-in-lieu of foreclosure, or other sale of the Property in connection with enforcement of the Security Instrument or otherwise in satisfaction of the underlying loan shall operate to terminate the Lease or Tenant's rights thereunder to possess and use the Leased Space provided, however, that (a) the term of the Lease has commenced, (b) Tenant is in possession of the Leased Space, and (c) the Lease is in full force and effect and no uncured default exists under the Lease, beyond any applicable notice and cure periods.

3. **Attornment.** Tenant agrees to attorn to and recognize as its landlord under the Lease each party acquiring legal title to the Property by foreclosure (whether judicial or nonjudicial) of the Security Instrument, deed-in-lieu of foreclosure, or other sale in connection with enforcement of the Security Instrument or otherwise in satisfaction of the underlying loan ("**Successor Owner**"). Provided that the conditions set forth in Section 2 above are met at the time Successor Owner becomes owner of the Property, Successor Owner shall perform all obligations

of the landlord under the Lease arising from and after the date title to the Property was transferred to Successor Owner. In no event, however, will any Successor Owner be: (a) liable for any default, act or omission of any prior landlord under the Lease (except that Successor Owner shall not be relieved from the obligation to cure any defaults which are non-monetary and continuing in nature, and such that Successor Owner's failure to cure would constitute a continuing default under the Lease; for the avoidance of doubt, defaults which are non-monetary include repair and maintenance defaults even though curing such defaults may require the expenditure of money); (b) subject to any offset or defense which Tenant may have against any prior landlord under the Lease; (c) bound by any payment of rent or additional rent made by Tenant to Landlord more than 30 days in advance; (d) bound by any modification or supplement to the Lease, or waiver of Lease terms, which revise Tenant's or Landlord's monetary obligations under the Lease, modifies the term of the Lease, the parties' termination rights or the description of the Leased Space, made without Lender's written consent thereto; (e) liable for the return of any security deposit or other prepaid charge paid by Tenant under the Lease, except to the extent such amounts were actually received by Lender; (f) liable or bound by any right of first refusal or option to purchase all or any portion of the Property; or (g) liable for construction, completion or payment to Tenant for any improvements to the Property or as required under the Lease for Tenant's use and occupancy (whenever arising); provided, however, this clause (g) shall in no way modify, limit or impair any obligation of Successor Owner to perform maintenance and repair obligations to existing improvements and provided further, that if Successor Owner fails to perform any such maintenance and repair obligations, then Tenant shall have all rights and remedies available to it in the Lease, at law, and in equity. Although the foregoing provisions of this Agreement are self-operative, Tenant agrees to execute and deliver to Lender or any Successor Owner such further instruments as Lender or a Successor Owner may from time to time request in order to confirm this Agreement. If any liability of Successor Owner does arise pursuant to this Agreement, such liability shall be limited to Successor Owner's interest in the Property.

4. Rent Payments; Notice to Tenant Regarding Rent Payments. Tenant agrees not to pay rent more than one (1) month in advance unless otherwise specified in the Lease. After notice is given to Tenant by Lender that Landlord is in default under the Security Instrument and that the rentals under the Lease should be paid to Lender pursuant to the assignment of leases and rents granted by Landlord to Lender in connection therewith, Tenant shall thereafter pay to Lender all rent and all other amounts due or to become due to Landlord under the Lease, and Landlord hereby expressly authorizes Tenant to make such payments to Lender upon reliance on Lender's written notice (without any inquiry into the factual basis for such notice or any prior notice to or consent from Landlord) and hereby releases Tenant from all liability to Landlord in connection with Tenant's compliance with Lender's written instructions.

5. Lender Opportunity to Cure Landlord Defaults. Tenant agrees that, until the Security Instrument is satisfied of record by Lender, it will not exercise any remedies under the Lease following a Landlord default without having first given to Lender (a) written notice of the alleged Landlord default and (b) the opportunity to cure such default within the time periods provided for cure by Landlord, measured from the time notice is received by Lender. Tenant acknowledges that Lender is not obligated to cure any Landlord default, but if Lender elects to do so, Tenant agrees to accept cure by Lender as that of Landlord under the Lease and will not exercise any right or remedy under the Lease for a Landlord default. Performance rendered by Lender on Landlord's behalf is without prejudice to Lender's rights against Landlord under the Security Instrument or any other documents executed by Landlord in favor of Lender in connection therewith.

6. Miscellaneous.

(a) Notices. All notices under this Agreement will be effective only if made in writing and addressed to the address for a party provided below such party's signature. A new notice address may be established from time to time by written notice given in accordance with this Section. All notices will be deemed received only upon actual receipt. Notice to outside counsel or parties other than the named Tenant, Lender and Landlord, now or hereafter designated by a party as entitled to notice, are for convenience only and are not required for notice to a party to be effective in accordance with this section.

(b) Entire Agreement; Modification. This Agreement is the entire agreement between the parties relating to the subordination and nondisturbance of the Lease, and supersedes and replaces all prior discussions, representations and agreements (oral and written) with respect to the subordination and nondisturbance of the Lease. This Agreement controls any conflict between the terms of this Agreement and the Lease. This

Agreement may not be modified, supplemented or terminated, nor any provision hereof waived, unless by written agreement of Lender and Tenant, and then only to the extent expressly set forth in such writing.

(c) Binding Effect. This Agreement binds and inures to the benefit of each party hereto and their respective heirs, executors, legal representatives, successors and assigns, whether by voluntary action of the parties or by operation of law. If the Security Instrument is a deed of trust, this Agreement is entered into by the trustee of the Security Instrument solely in its capacity as trustee and not individually.

(d) Unenforceability. Any provision of this Agreement which is determined by a government body or court of competent jurisdiction to be invalid, unenforceable or illegal shall be ineffective only to the extent of such holding and shall not affect the validity, enforceability or legality of any other provision, nor shall such determination apply in any circumstance or to any party not controlled by such determination.

(e) Construction of Certain Terms. Defined terms used in this Agreement may be used interchangeably in singular or plural form, and pronouns cover all genders. Unless otherwise provided herein, all days from performance shall be calendar days, and a "business day" is any day other than Saturday, Sunday and days on which Lender is closed for legal holidays, by government order or weather emergency.

(f) Governing Law. This Agreement shall be governed by the laws of the State in which the Property is located (without giving effect to its rules governing conflicts of laws).

(g) WAIVER OF JURY TRIAL. TENANT, AS AN INDUCEMENT FOR LENDER TO PROVIDE THIS AGREEMENT AND THE ACCOMMODATIONS TO TENANT OFFERED HEREBY, HEREBY WAIVES ITS RIGHT, TO THE FULL EXTENT PERMITTED BY LAW, AND AGREES NOT TO ELECT, A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS AGREEMENT.

(h) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together constitute a fully executed agreement even though all signatures do not appear on the same document.
